

## Burton™ SC Underwater Connectors

Burton™ connectors have been trusted as the industry standard for ROVs and underwater instrumentation for over 30 years. Cooper Interconnect now offers the same quality and reliability you would expect from a Burton product in our line of SC connectors.

**The most rugged and reliable line of Standard Circular (SC) connectors on the market today.**

### Exceeds the Industry Standard

Many improvements have been incorporated into our SC line of connectors to make them more rugged and reliable, far surpassing industry standards.

- Molding Bending Strain Relief
- Color-Coded Leads
- Bulkhead Pressure Block
- Improved Overmold Connector
- Stronger Neck on Bulkhead
- Crimped Contacts
- Gold Plated Contacts
- Pin Shoulder Radius
